

Thank you Ray for organising an enjoyable afternoon at the Rabbits. It was good to see 'old' members Simon and Lyne Morrison again.

Just a bit of information nothing to do with Morgans or cars! Listened to a piece of music today cellist playing Londonderry Air accompanied by nightingales in her garden! Thought I would let you know the first guided evening walks to listen to the Nightingales at Fingrinhoe Wick Nature Reserve starts on the 24th April. You don't have to go in the evening you can hear them in the car park and reserve during the day too.

##### **Drive it Day**

Dave Waite has arranged an interesting drive through North Essex and South Suffolk, visiting some of the area's most picturesque villages.

The route covers about 75 miles and should take around 2 ½ hours. It has been planned as a Scenic Run and not a Touring Assembly to comply with the appropriate regulations.

We will be meeting at the Saracens Head in Great Dunmow at 10:00 – 10:30 for coffee so we can leave in small groups between about 10:30 – 11:00. We finish back at the Saracens Head so the first groups should start returning at about 13:00 for lunch.

There is no rush to complete the run, last orders for lunch are taken until 18:30 and Dave sincerely hopes that everyone will be back long before then.

There is no need to pre-order lunch as we will be arriving back in small groups over a couple of hours or so.

A private dining room has been arranged for coffee and lunch.

Full joining and route instructions will follow in good time before the event so if you are interested in joining us please email Dave [david\\_waite@hotmail.co.uk](mailto:david_waite@hotmail.co.uk) to book your place, there is no limit on numbers.
